Nordic Flora™ Probiotics

Nordic Flora™ Probiotics

Nordic Naturals is committed to delivering the world's safest, most effective nutrients essential to health.

With unrivaled success in the omega-3 market, we've built our customers' trust over the past two decades, supporting health with innovative products, and doing it right at any cost. Research shows how important digestive health is to the body's ability to absorb nutrients like omega-3s. There's no better time for probiotics.

We are proud to introduce our comprehensive line of Nordic Flora Probiotics—DAILY. WOMAN. COMFORT. Whether your customers are looking for daily digestive balance, support for vaginal and urinary tract health, or relief from digestive discomfort, we have a probiotic that's right for them.
