Vitamin D3 in a delicious gummy!

Nordic Naturals' great-tasting Vitamin D3 Gummies provide 1000 I.U. of vitamin D in each gummy. Like all Nordic Naturals vitamin D products, Vitamin D3 Gummies are cholecalciferol, the natural form of vitamin D, preferred for optimal absorption.*

- Expert recommended 1000 I.U. of vitamin D3 in each gummy
- Great-tasting, wild berry flavor
- Pectin based and gelatin free
- No artificial coloring, flavoring, or preservatives
- Supports healthy bones, mood, and immune system function*

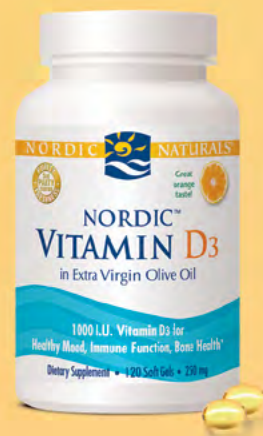

*Delicious
Wild Berry Flavor!*

* Contact your Nordic Naturals representative today to see if you qualify for additional discounts, to learn about more products that include vitamin D3, and to place your order.
